Prince George

For Women, we provide FREE client centered counselling services to women who have experienced childhood sexual abuse, recent sexual violence and / or are in a violent relationship. Support groups and Advocacy also available.
For Men, The Circle of Truth Program is an accessible and Free counselling service for individuals who have experienced or are experiencing sexual violence. This service provides counselling to males ages 14 and older.
For Teens, childhood sexual abuse is an abuse of power that often instills feelings of shame, guilt and anger in a child that can develop in risky coping strategies such as addictions, eating disorders and other mental health concerns later in life.
For Children sexual abuse is a traumatic event in the life of children and families, it distorts their sense of their world, their self concept and capacities. Counselling can support through play and art therapy, rebuilding trust, the child's self concept and value and worth.

and referrals. We provide short term emotional support specific to the victims circumstances and make referrals to other support agencies and resources if appropriate. We assist with victim impact statements and police reports, provide translation or interpretation where necessary to facilitate interaction with police, crown counsel and others. We will also accompany victims to meetings and to court appearances.

Vancouver

Stopping The Violence
Support for women who experienced childhood sexual and/ or physical abuse, domestic violence or adult sexual assault.
