<b>Nation-Wide</b>	<p><b>Advice Line 115-150-382</b></p> <p>We are a national network of Ethiopian societies who share the goal of advancing women's rights, gender equality and women's empowerment in Ethiopia. We are currently running a campaign to End Violence Against Women. Whilst rape and violence are largely condemned, most violence goes unreported and unpunished, few cases result in assest or convictions. Sexual harassment in our schools especially of secondary school students remains a significant problem. NEWA leads a coalition of partner organizations and citizens seeking to change public opinion and change the justice system to ensure justice in the court system, support in local health centres and a new approch in the local police stations.</p> <p><a href="http://www.facebook.com/Network-of-Ethiopian-Womens-Associations-474454282593071/">www.facebook.com/Network-of-Ethiopian-Womens-Associations-474454282593071/</a></p>	<p>Network of Ethiopian Women's Associations (NEWA) Nation-Wide PO Box 27159 / 1000 Addis Ababa 115-150-382 Office / Advice 115-523-491 FAX.</p>	<p><a href="mailto:newa@ethionet.et">newa@ethionet.et</a></p>
