with women and girls whose rights and dignity have been infringed upon as a result of a cultural practice that confines victims to "fetish Shrines" for years or even for life. There are approx 4,500 women enslaved in this manner. Our projects have managed to abolish the practice and a Bill has been passed as a result of advocacy. Shrine owners have also been negotiated with. 460 women and girls have actually been released. Counselling and rehabilitation services have been provided.
