Transending Turbulence  
Despite our best efforts Grief/Loss  
chaos and addictions can show up  
when we least expect them. As they  
burst into our lives we can find  
ourselves flipped inside out causing  
us to stop short of dreams or goals.  
The domino effect of unresolved  
grief/loss, pain anger ect., not only  
weighs heavy on our heart and  
mind, over time results in a state of  
"dis-ease" which shows up in a  
variety of discomforts in our physical  
as well as emotional and mental  
states. The good news is we can  
use empowerment to shift that.
